

Child Protection for Parents

ONLY \$10

Our favourite! This is our innovative signature Child Protection course that delivers essential lessons for the entire community. It is designed to assist professionals, parents and the wider community to embed practical child protection strategies into their daily lives, and the lives of all our children. A fresh approach to child protection that really works – right in front of your eyes – every day.

We all use sunscreen every day to protect against skin cancer, and now we can use Child Protection strategies every day to protect against child abuse.

You wouldn't let your children ride a bike without a helmet, or play in the sun without a hat – so why let them out of your sight without essential Child Protection habits? This course takes a fresh approach to Child Protection – teaching practical strategies that everyone can learn to use to protect themselves and others from child abuse.

You will learn the 7 Steps 2 Safety and appreciate the way they not only protect children, but transform your relationship with them. Parents cannot afford to skip this one!
